

LAYER 3

LINE CARD

Layer 3 Technologies has specialized in providing Companies with IT Solution & Services since 2001.

Layer 3 provides Best of Breed Solutions and Service, which gives us the unique ability to provide a complete end to end experience when it comes managing your Network. We tie this in with a lifecycle management process which enables us to help our customers design, deploy, secure, maintain, upgrade and ultimately choose the best option for disposition for their IT assets.

Our customers rely on us to solve a variety of challenges. Some of our primary services include:

- ▶ Network Security – Firewall/Endpoint/Encryption/Web Filtering/Compliance
- ▶ Wan & Lan Optimization
- ▶ Storage, Backup, & Disaster Recovery
- ▶ Network infrastructure design and architecture
- ▶ Network Maintenance and upgrades – Support contracts and helpdesk services
- ▶ IT Asset Disposition – Decommissioning and repurposing of existing assets including consignment, purchase, trade-up options. We provide Data Erasure and R2 compliant recycling services when applicable.
- ▶ Our unique experience allows us to offer our customers OEM New as well as “previously enjoyed” hardware to reduce overall costs and provide EoL legacy equipment

WHY LAYER 3?

- ▶ We have been in business since 2001 and continue to grow every year
- ▶ Family owned WBE certified company
- ▶ Dedicated account managers that make themselves readily available
- ▶ Various state and purchasing contracts for ease of procurement
- ▶ We work with companies of every size
- ▶ Single vendor footprint. We manage the entire process for you
- ▶ Layer 3 can buy your EoL equipment providing you with additional budget for new purchases
